

Heritage of Flight Festival

It's that time again! We would like to invite you to join in on the fun on Main Street in New Carlisle for our 8th Annual Heritage of Flight Festival.

All the fun will start on Friday, October 5th and run until Sunday, October 7th. All food vendors that want to come in on Friday for the cruise in are asked to be on Main Street no later than 12 noon on Friday the 5th of October, we want plenty of time for you to set up before the health department comes in for the needed inspections. We have added some spaces for concession vendors on the south end of Main Street for the entire weekend. We will offer water again this year with the help of a city employee on staff the entire length of the festival. As in the past if you need electric you will need to provide your own generators. All concession vendors will be responsible for having all necessary health permits, and follow all health laws. If you have any questions please contact:
